IV. FACTS AND BACKGROUND

A. THE BLUE NILE COMPANY AND BUSINESS

10. Blue Nile has, since 1999, provided diamond and fine jewelry retail services over the Internet. It is today the market leader in the online diamond and fine jewelry industry.

11. Blue Nile provides its services and products through the websites, www.bluenile.com (serving the United States), www.bluenile.ca (serving Canadian customers), and www.bluenile.co.uk (serving the United Kingdom). Blue Nile's websites are available globally, and it sells diamonds and fine jewelry via its websites in interstate commerce throughout the United States, and elsewhere.

12. As Internet retail experts have commented, Blue Nile is "admittedly obsessed" with the concept of a perfect online order experience.

13. Blue Nile provides extraordinary detail in every aspect of its website and customer experience, from the photographs that display diamonds on Blue Nile's websites to the depth of data accessible to customers to the navigation and selection tools available to customers on the websites.

14. Through this investment and diligent attention to detail, Blue Nile has proven that luxury items can be sold online. In an online jewelry market where the average purchase is about \$300, Blue Nile customers spend about \$1,536 on each purchase. In addition, where the industry average sale price for an engagement ring is about \$2,800, a typical engagement ring order at Blue Nile is about \$5,500.

15. With no "brick and mortar" stores, the Blue Nile websites are Blue Nile's storefronts and sales clerks. The websites attract the customers, the websites answer questions, and the websites sell the diamonds and jewelry.

16. As an Internet-only company in the high-end jewelry market, one of Blue Nile's highest priorities is the customer interface of its websites, and detailed, high-quality imagery is critical to its success. High-quality images give online customers a heightened level of

1 confidence in the products that they consider purchasing as well as confidence that the retailer is
2 really an expert in the field.
3

4 **B. THE BLUE NILE WEBSITES: WWW.BLUENILE.COM**

5
6 17. To attract and build the confidence of customers, Blue Nile's websites explain the
7 complexities of diamond and fine jewelry selection through clear, carefully crafted text, through
8 excellent, sharp imagery, and in clear and creative organization and compilations on its websites
9 that are easy for even novice and other potential buyers to navigate and understand.
10

11
12
13 18. Blue Nile's websites include exquisite photographs of diamonds, pearls,
14 gemstones, settings, and fine jewelry that illustrate the many beautiful stones and items Blue Nile
15 offers.
16

17
18
19 19. Blue Nile's diamond photographs are particularly distinctive. The qualities of cut
20 diamonds and the way diamonds reflect light make them extremely difficult, costly and time-
21 consuming to photograph. Also as a result of diamonds' qualities and the way they reflect light,
22 every photograph of a diamond is as unique as a fingerprint.
23

24
25
26 **C. PROTECTION OF BLUE NILE'S COPYRIGHTS**

27
28
29 20. As an Internet-only enterprise, intellectual property is one of Blue Nile's most
30 important and most valued assets. Consequently, Blue Nile invests significant resources into its
31 intellectual property and carefully protects its intellectual property rights.
32

33
34
35 21. For example, Blue Nile owns all rights, title and interest, including copyrights, in
36 and to the photographs of diamonds displayed on its websites.
37

38
39
40 **D. PRIMESTYLE.COM IS WILLFULLY AND UNLAWFULLY COPYING BLUE
41 NILE'S PHOTOGRAPHS.**

42
43
44 22. Primestyle.com has and is willfully and unlawfully copying Blue Nile's protected
45 photographs.
46

47
48
49 23. For example, Primestyle.com copies Blue Nile copyright-registered photographs
50 on its website to exemplify to its viewers a white gold sapphire and diamond three-stone
51

1 pendant, a gold three-stone diamond pendant, and a white gold ruby and diamond three-stone
2 pendant. Screen shots of Blue Nile's registered photographs on Primestyle.com's website are
3 attached as Exhibit A, pp. 8-10. Screen shots of the registered photographs on BlueNile.com are
4 attached as Exhibit B, pp. 11-13.
5
6
7

8
9 24. As another example, Primestyle.com copies Blue Nile's copyright-registered
10 photographs on its website to exemplify Asscher, Emerald, Heart, Marquise, Oval, Pear,
11 Princess, Radiant, and Round cut diamonds to its viewers on its diamond search page. A screen
12 shot of these photographs on the diamond search page of Primestyle.com's website is attached as
13 Exhibit C, p. 14.
14
15
16
17

18
19 25. Further, when a visitor to the Primestyle.com website "clicks" on a particular
20 diamond image on this diamond search page, an enlarged diamond image appears on a diamond
21 detail page. The enlarged diamond images that appear on the top left of Primestyle.com's
22 diamond detail pages are also Blue Nile's copyright-registered photographs. An example of an
23 enlarged diamond image—Blue Nile's copyright-registered Round cut diamond image—from a
24 diamond detail page on Primestyle.com's website is attached as Exhibit D, p. 15. A screenshot
25 of the registered Round cut diamond photograph on BlueNile.com is attached as Exhibit E, p. 16.
26
27
28
29
30
31

32
33 26. Other infringements of Blue Nile's copyright-registered photographs, in addition
34 to those specifically identified herein and in Exhibits A, C, and D, also appear on
35 Primestyle.com.
36
37

38 V. CLAIM

39 COPYRIGHT INFRINGEMENT, 17 U.S.C. § 101 *et seq.*

40
41 27. Blue Nile realleges and incorporates by reference the allegations in paragraphs 1
42 through 26 above as if fully set forth herein.
43
44
45

46 28. Blue Nile has registered copyrights in its unique and original photographs.
47

48 29. Prime Style LLC had access to Blue Nile's websites, including the photographs on
49 Blue Nile's websites.
50
51

1 30. Prime Style LLC copied and/or created derivative works from the photographs on
2 Blue Nile's websites.
3

4 31. The photographs on the Primestyle.com website are substantially similar to Blue
5 Nile's original copyright-protected photographs.
6

7 32. Prime Style LLC is not licensed or authorized by Blue Nile to use Blue Nile's
8 copyrighted works.
9

10 33. At all times relevant, Prime Style LLC obtained direct financial benefit from the
11 infringement and had the right and ability to control the infringing conduct, and/or intentionally
12 induced, encouraged, caused or materially contributed to the infringement.
13

14 34. The foregoing acts of Prime Style LLC constitute direct infringement, vicarious
15 infringement and/or contributory infringement of Blue Nile's exclusive rights in its copyrighted
16 works under 17 U.S.C. § 106.
17

18 35. Upon information and belief, Prime Style LLC's actions were intentional, willful,
19 wanton and performed in disregard of the rights of Blue Nile.
20

21 36. Blue Nile has been and will continue to be damaged, and Prime Style LLC has
22 been unjustly enriched, by Prime Style LLC's unlawful infringement of Blue Nile's copyrighted
23 works in an amount to be proven at trial.
24

25
26
27
28
29
30
31
32
33
34 **VI. JURY DEMAND**

35 37. Pursuant to Federal Rule of Civil Procedure 38(b), Blue Nile demands a trial by
36 jury as to all issues so triable in this action.
37

38
39
40
41 **VII. PRAYER FOR RELIEF**

42 WHEREFORE, plaintiff Blue Nile, Inc. prays for the following relief:
43

44 A. A preliminary injunction and permanent injunction pursuant to 17 U.S.C. § 502
45 enjoining and restraining Prime Style LLC, its officers, agents, servants, employees and all
46 persons in active concert or participation with them, during the pendency of this action and
47 thereafter perpetually from copying, distributing, displaying, creating derivative works or
48
49
50
51

1 otherwise using protected elements of Blue Nile's copyrighted works, including, but not limited
2 to, Blue Nile's photographs;

3
4
5 B. An award of damages sustained by Blue Nile pursuant to 17 U.S.C. § 504(b) and
6 as otherwise permitted by law;

7
8
9 C. An accounting and award of profits and other unjust enrichment derived by Prime
10 Style LLC from its unlawful conduct pursuant to 17 U.S.C. § 504(b) and as otherwise permitted
11 by law;

12
13
14 D. At Blue Nile's election, an award of statutory damages pursuant to 17 U.S.C.
15 § 504(c) and as otherwise permitted by law;

16
17
18 E. An award of Blue Nile's costs of suit and reasonable attorneys' fees pursuant to 17
19 U.S.C. § 505 and as otherwise permitted by law;

20
21
22 F. An award of prejudgment and post-judgment interest; and

23
24
25 G. Such further and other relief as the Court deems just and proper.

★★★★★ Dainty but elegant
The three-stone pendant is lovely, if only a little, well, little! The ruby is clean and free of obvious flaws, and it is complemented by two handsome diamonds. A good value for the price, I think.
