CIV-JORDAN

v.

SEAN A. ALLEN d/b/a
cleansoles.com, fashiondmp.com, and
starcitycollectibles.com

Defendant.

COMPLAINT

Plaintiff, Nike, Inc. ("Nike"), by and through its undersigned attorneys, allege for its
Complaint as follows:

INTRODUCTION

1. Nike files this action against the Defendant, who has unlawfully engaged
in the manufacture, duplication, distribution, sale, and offer for sale of counterfeit shoes
bearing exact copies or colorable duplications of Nike's trademarked properties.

2. For violations of the Federal Statutes alleged in the Complaint, Nike seeks
a Preliminary and Permanent Injunction, damages, costs, and attorneys' fees as
authorized by the Lanham Act.

JURISDICTION AND VENUE

3. This Court has jurisdiction over this matter pursuant to the federal
trademark laws (the "Lanham Act"), 15 U.S.C. §§ 1051-1141. Further, this Court has
jurisdiction over Nike's pendent and common law claims pursuant to 28 U.S.C. § 1367.

4. Venue is proper within this District pursuant to 28 U.S.C. § 1391(b) and § 1400(a).

THE PARTIES

5. Plaintiff Nike, Inc. is a corporation duly organized and existing under the laws of the State of Oregon, having its principal place of business in Beaverton, Oregon.

a. Nike is engaged in the manufacture, design, and sale of footwear, apparel, and related accessories. Among other products, Nike manufactures, sells, and distributes basketball and running shoes. Products manufactured and sold by Nike are sold bearing several marks including the “NIKE” mark, an arbitrary and distinctive emblem which has come to be known as the “Swoosh Design,” a composite mark consisting of the word “Nike” and the “Swoosh Design”, or an arbitrary and distinctive emblem which has come to be known as “Jumpman”. Nike uses these marks on shoes and apparel as trademarks of Nike’s high-quality products. Nike also developed and used the “Nike Air” and “Just Do It” marks as trademarks for its shoes and apparel. Nike sells in excess of \$13,000,000,000.00 per year in merchandise bearing its distinctive trademarks.

b. All products noted above are sold with the “NIKE”, “Swoosh Design”, or composite “NIKE” and “Swoosh Design” marks. Nike adopted and used the “NIKE” and “Swoosh Design” marks in 1971. Some, but not all, of Nike’s registered marks and registration numbers are noted below:

- i. Nike registered the “NIKE” mark in block letters on November 2, 1982; Registration No. 1,214,930 in class 25 for footwear.

- ii. Nike registered the “Swoosh Design” on March 5, 1985; Registration No. 1,323,343 in class 25 for footwear.
- iii. Nike registered the composite mark of “NIKE” and the “Swoosh Design” on March 19, 1985; Registration No. 1,325,938 in class 25 for footwear.
- iv. Nike registered the “NIKE AIR” mark on July 3, 1984; Registration No. 1,284,386 in class 25 for footwear.
- v. Nike registered the “AIR JORDAN” mark on November 12, 1985; Registration No. 1,370,283 for footwear and apparel in class 25.
- vi. Nike registered the “AIR JORDAN” design on December 22, 1992 for apparel and sports bags in class 18 and apparel and backpacks in class 25.
- vii. Nike registered the “AIR JORDAN” design on September 16, 1989 for footwear and apparel in class 25.
- viii. Nike registered the “JUST DO IT” mark on January 24, 1995 for apparel in class 25.

Nike’s trademarks will hereinafter be collectively referred to as the “Nike Trademarks”. These marks are indexed on Exhibit “A”.

6. Defendant Sean A. Allen d/b/a cleansoles.com, fashiondmp.com, and starcitycollectibles.com (hereinafter “Allen”) is an individual doing business in the State of Florida at 4017 NW 90th Avenue, Sunrise, Florida 33351 under the names “cleansoles.com, fashiondmp.com, and starcitycollectibles.com”. Upon information and

belief, Allen operates interactive Web sites at the Uniform Resource Locator ("URL") <<http://www.cleansoles.com>>, <<http://www.fashiondmp.com>>, and <<http://www.starcitycollectibles.com>> which sites sell, offer for sale, and distribute merchandise in this District.

FACTUAL BACKGROUND

7. Nike has used the Nike Trademarks continuously from the date claimed on the registrations in connection with the goods and services noted. The Nike Trademarks are in full force and effect, are owned by Nike, and many have become incontestable pursuant to 15 U.S.C. § 1065. Each of the distinctive trademarks signifies to the purchaser that the product originates exclusively with Nike and is manufactured to standards of the highest quality. Whether Nike manufactures the product themselves or licenses others to do it, Nike has ensured that products bearing its trademarks are manufactured to the highest standards. As a result, Nike has established further goodwill in the Nike Trademarks which have become valuable assets of Nike.

8. Because of Nike's longstanding use and large advertising expenditures in support of its marks, the Nike Trademarks have become famous marks as defined by 15 U.S.C. § 1125(c)(1).

9. The enormous popularity of Nike's products is not without costs as evidenced by the increasing number of counterfeiters in the United States and worldwide.

10. Allen is manufacturing, distributing, offering for sale, and/or selling the Nike Trademarks in the form of counterfeit shoes bearing exact copies or colorable

imitations of the Nike Trademarks. See Exhibit "B". Nike has never authorized Allen to reproduce, manufacture, import, copy, or sell shoes or any product bearing the Nike Trademarks. The counterfeit shoes sold or offered for sale by Allen are referred to in this complaint as the "Counterfeit Product". Allen has distributed, offered for sale, or sold the Counterfeit Product through the Web sites located at the URL <<http://www.cleansoles.com>>, <<http://www.fashiondmp.com>>, and <<http://www.starcitycollectibles.com>>.

11. Nike has requested that Allen cease and desist from its infringing activities. Despite these repeated requests, Allen continues to sell and offer for sale of the Counterfeit Product. Allen performed the complained of acts willfully and with knowledge of the infringement and unfair competition they would cause and to appropriate and unfairly trade upon Nike's goodwill in the Nike Trademarks. The photograph, attached as Exhibit "C" is a sample of the Counterfeit Product sold through Allen's Web site.

COUNT I

Trademark Infringement and Counterfeiting

12. Nike incorporates by reference paragraphs 1 through 11 and brings the following claims for trademark infringement pursuant to 15 U.S.C. § 1114 against the Defendant.

13. Nike owns the exclusive trademark rights to those trademarks indexed on Exhibit "A". All of the trademark registrations are in full force and effect and are owned

by Nike. In many cases the trademarks have become incontestable pursuant to 15 U.S.C. § 1065.

14. Nike, or those under its authority, manufacture and distribute all of its products and advertising in conformity with the provisions of the Lanham Act.

15. Notwithstanding Nike's well-known and prior common law and statutory rights in its trademarks, Allen has adopted and used the Nike Trademarks in the State of Florida and interstate commerce. Allen committed his acts with actual notice of Nike's federal registration rights, long after Nike established its rights in the trademarks.

16. Allen committed his acts of infringement within the jurisdiction of this Court. Allen reproduces, manufactures, imports, copies, or sells shoes bearing the Nike Trademarks without Nike's authorization via the internet. Allen sold or offered for sale shoes bearing the Nike Trademarks in the Southern District of Florida and interstate commerce, thus creating the likelihood of confusion, deception, and mistake.

17. Allen imported, manufactured, distributed, sold, or offered for sale counterfeit or unauthorized shoes bearing Nike's distinctive trademarks. Allen acted with actual and constructive knowledge of Nike's distinctive trademarks and has contributed to the infringing, copying, duplication, sale, and offer for sale of counterfeit copies of merchandise bearing Nike's distinctive trademarks.

18. Allen's acts of infringement will cause irreparable injury to Nike if Allen is not restrained by the Court from further violation of Nike's rights as Nike has no adequate remedy at law.

19. Nike has suffered damages as a result of Allen's acts.

20. Allen's commercial use of the Nike Trademarks in conjunction with the sale of shoes is an infringement of Nike's registered trademarks and in violation of 15 U.S.C. § 1114.

21. Upon information and belief, Allen committed the alleged acts intentionally, fraudulently, maliciously, willfully, wantonly, and oppressively with the intent to injure Nike and its business.

COUNT II

False Designation of Origin and False Description

22. Nike incorporates by reference the allegations set forth in paragraphs 1 through 11 and 13 through 21.

23. The Nike Trademarks have acquired a secondary and distinctive meaning such that the public has come to identify the trademarked properties listed on Exhibit "A" with Nike.

24. The unauthorized manufacture of shoes and related merchandise that has been distributed and sold by the Defendant exactly duplicates and appropriates the likeness of the Nike Trademarks, the effect of which is to delude and confuse the public into believing that the shoes have been authorized or sponsored by Nike.

25. The sale of unauthorized products bearing the Nike Trademarks will dilute the goodwill and reputation of Nike.

26. The sale of unauthorized products bearing the Nike Trademarks, which are of an inferior quality to the authorized and authentic product, will further dilute the goodwill and reputation of Nike.

27. Allen, by misappropriating and using the likeness of the Nike Trademarks and licensed trademarks in connection with the sale of Counterfeit Products, is misrepresenting and will continue to misrepresent and falsely describe to the general public the origin and sponsorship of his products. Allen has caused such products to enter into interstate commerce with full knowledge of the falsity of the designation of their origin, description, and representation in an effort to mislead the purchasing public into believing that their products are authorized or emanate from Nike.

28. These acts constitute a violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

29. The continued use of the likenesses of the Nike Trademarks and licensed trademarks by Allen has caused, and unless restrained will continue to cause, serious irreparable injury and harm to Nike as Nike has no adequate remedy at law.

30. Allen has obtained gains, profits, and advantages as a result of his unlawful acts.

31. Nike has suffered monetary damages as a result of Allen's acts.

COUNT III

Unfair Competition under Florida's Common Law

32. Nike incorporates by reference the allegations set forth in paragraphs 1 through 11, 13 through 21, and 23 through 31.

33. Nike has spent significant sums of money advertising and marketing products and services featuring its trademarked properties, creating a consumer demand for such products and services throughout the United States. Consequently, these products and services have become widely known and accepted.

34. Allen is using the Nike Trademarks in conjunction with the advertising, marketing, and offering for sale of the Counterfeit Product, thereby passing it off as goods authorized or distributed by Nike.

35. Allen knowingly and willfully appropriated Nike's trademarked properties in an effort to create the impression that Nike sanctioned his Counterfeit Product in order to misappropriate all of the goodwill associated with Nike's trademarked properties.

36. Allen's acts constitute unfair competition and, unless enjoined by this Court, will result in the destruction or dilution of the goodwill of Nike's valuable property rights to the unjust enrichment of Allen.

37. The goods advertised, marketed, and offered for sale by Allen in conjunction with Nike's trademarked properties are calculated and likely to deceive and mislead the purchasers who buy them in the belief that they originate with or are authorized by Nike.

38. Allen's continued passing off of such Counterfeit Product as if such goods originated with or were authorized by Nike has caused and, unless restrained, will continue to cause serious and irreparable injury to Nike.

39. Nike has no adequate remedy at law and is suffering irreparable harm as a result of the actions by Allen.

40. Allen committed the acts alleged in this complaint intentionally, fraudulently, maliciously, willfully, wantonly, and oppressively with the intent to injure Nike and its business.

PRAYER FOR RELIEF

WHEREFORE Nike demands interim relief in the form of a Preliminary Injunction and, consistent with that, entry of a judgment against Allen as follows:

1. Permanent injunctive relief restraining Allen, his officers, agents, servants, employees, attorneys, and all those in active concert or participation with them from:

a. further infringing each of the Nike Trademarks by manufacturing, producing, distributing, circulating, selling, marketing, offering for sale, advertising, promoting, displaying, or otherwise disposing of any products not authorized by Nike bearing any simulation, reproduction, counterfeit, copy, or colorable imitation of any of the Nike Trademarks ("Unauthorized Products");

b. using any simulation, reproductions, counterfeit, copy, or colorable imitation of any of the Nike Trademarks in connection with the promotion, advertisement, display, sale, offering for sale, manufacture, production, circulation, or distribution of Unauthorized Products in such fashion as to relate or connect, or tend to relate or connect, such products in any way to Nike, or to any goods sold, manufactured, sponsored, or approved by, or connected with, Nike;

c. making any statement or representation whatsoever, or using any false designation of origin or false description, or performing any act, which can or is likely to lead the trade or public, or individual members thereof, to believe that any products manufactured, distributed, or sold by Allen are in any manner associated or connected with Nike, or are sold, manufactured, licensed, sponsored, approved, or authorized by Nike;

d. engaging in any other activity constituting unfair competition with Nike, or constituting an infringement of any of the Nike Trademarks or of Nike's rights in, or to use or to exploit, the Nike Trademarks, or constituting any dilution of Nike's name, reputation, or goodwill;

e. effecting assignments or transfers, forming new entities or associations or using any other device for the purpose of circumventing or otherwise avoiding the prohibits set forth in subparagraphs a-d; and

f. secreting, destroying, altering, removing, or otherwise dealing with the Counterfeit Products or any books or records that may contain any information relating to the importing, manufacturing, producing, distributing, circulating, selling, marketing, offering for sale, advertising, promoting, or displaying of all unauthorized products which infringe any of the Nike Trademarks.

2. Directing that Allen deliver for destruction all Unauthorized Products including shoes and any other merchandise, labels, signs, prints, packages, dyes, wrappers, receptacles, silk screens, heat transfers, embroidery templates, software, and advertisements relating thereto in his possession or under his control bearing any of the

Nike Trademarks or any simulation, reproduction, counterfeit, copy, or colorable imitations thereof, and all plates, molds, heat transfers, screens, matrices, software, and other means of making the same.

3. Directing that Allen delete any and all digital files used to reproduce the Nike Trademarks from any and all computers, CDs, DVDs, hard drives, floppy disks, or other form of digital file storage which is in Allen's possession or control.

4. Directing that Allen remove all Web sites bearing any of the Nike Trademarks or advertising the Unauthorized Products from any and all computers, CDs, DVDs, hard drives, floppy disks, or other form of digital storage format which is in Allen's possession or control.

5. Directing that Allen report to this Court within 30 days after a Permanent Injunction is entered to show his compliance with paragraphs 2-4 above.

6. Directing such other relief as the Court may deem appropriate to prevent the trade and public from gaining the erroneous impression that any products manufactured, sold, or otherwise circulated or promoted by Allen are authorized by Nike or related in any way to Nike's products.

7. That Nike be awarded three times Allen's profits after an accounting pursuant to 15 U.S.C. § 1114 and § 1117 or, at the election of Nike, statutory damages as provided by § 1117(c) of between \$500.00 and \$100,000.00 per trademark per type of goods sold that is counterfeited by Allen or, should this Court find that Allen willfully used a counterfeit mark, statutory damages of not more than \$1,000,000.00 per trademark per type of goods sold.

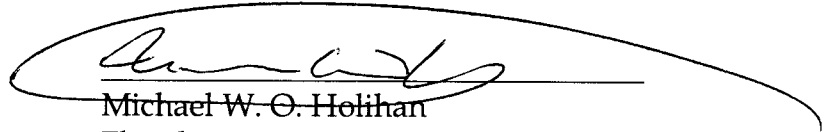

8. That Nike be awarded its reasonable attorneys' fees and investigative fees pursuant to 15 U.S.C. § 1117.

9. That Nike be awarded their costs in bringing this action.

10. That Nike have such other and further relief that this Court deems just.

Dated this 17th day of August, 2007.

The Air Jordan VII (7) was released in late 1991/early 1992. 2002 Retro Mid December.

By this time nothing could stop Michael and his confidence must have been at least 110%. The Bulls won their second straight title and he picked up a number of awards and honors. Jordan also went off to the Olympics bringing home another gold medal for the USA. This of course with the unforgettable Dream Team of '92.

Hua..., who? Hatfield created a shoe with lots of similarities with the previous model. What was unique with the VII's was that they used some of the Nike Huarache technology to create a shoe that really stuck to your foot. What also made you either frown or smile was the fact that the visible air sole, the Nike Air logo, and the yellowing soles all were gone.

When Michael went to the Olympics with the Dream Team, Nike released a special Olympic color combo of the VII's. This model also featured Michael's Olympic jersey number, 9 which made it very special since all of the previous models that featured his jersey number had always been either stitched or printed with the number 23.

Hate it or love it The Air Jordan VII was one of the first models that really caused the customers and collectors to take a stand. Some people straight up hated it and others loved it more than any previous model.

Sure, taste is individual and previous models had also been met with criticism but nothing as obvious as with the VII's. Who knows, this might have been due to the fact that Jordan's popularity was huge by now and that Air Jordan's now were exported to all four corners of the globe making the customers a greater number than before.

Ever since the VII's taking a stand when it comes to the design has been a lot more obvious and we've always seen distinct pro and con divisions within the circle of customers.

Air Jordan III (1988) - The Jumpman says hello. The Air Jordan III (3) was released in 1988.

The 87-88 season was when Michael would receive his first NBA Most Valuable Player award. He also crushed the competition in the Slam Dunk contest and led the Bull's to their best result since the 1974-75 season. Well he actually won all the major honors one can think of.

Hatfield takes over The new shoe was excellent. The design was totally different from the AJ I and II and was the first pair of Air Jordan's that showed a visible air sole. Behind it stood Tinker Hatfield who since then have designed every Air Jordan model up to the 15th.

This was also the very first Air Jordan to feature the Jumpman logotype instead of the Wings-logo that was on the I's and II's.

This might be one of the most popular Air Jordan's ever. It has won numerous polls when questioning which the greatest sneaker through all times is. Air Jordan fans also freaked out when they retroed this model in 1994. Shoe stores once again had major problems selling them though.

Mars success Nike created a personality ad campaign featuring the Mars Blackmon character who was created and played by director/actor Spike Lee.

This campaign followed Air Jordan for a couple of years and is definitely one of the most appreciated Nike commercial series through all time.

I'd say that the Air Jordan III was a major reason to the Air Jordan line's overall success.

"Yo MONEY, it's gotta be the shoes". The Air Jordan III is back, again. This is a GREAT shoe for any shoe collection, especially any one who has a Jordan collection or is starting one. This shoe has a full grain leather upper, with an elephant skin design on the toe and heel. It has solid rubber outsole and polyurethane mid-sole with visible air in the heel. Mars Blackmon was right, it is definitely the shoes!! Get them now before there gone, because who knows if Nike will ever retro them again

Hatfield takes over The new shoe was excellent. The design was totally different from the AJ I and II and was the first pair of Air Jordan's that showed a visible air sole. Behind it stood Tinker Hatfield who since then have designed every Air Jordan model up to the 15th.

This was also the very first Air Jordan to feature the Jumpman logotype instead of the Wings-logo that

was on the I's and II's.

This might be one of the most popular Air Jordan's ever. It has won numerous polls when questioning which the greatest sneaker through all times is. Air Jordan fans also freaked out when they retroed this model in 1994. Shoe stores once again had major problems selling them though.

Mars success Nike created a personality ad campaign featuring the Mars Blackmon character who was created and played by director/actor Spike Lee.

This campaign followed Air Jordan for a couple of years and is definitely one of the most appreciated Nike commercial series through all time.

I'd say that the Air Jordan III was a major reason to the Air Jordan line's overall success.

Yo MONEY, it's gotta be the shoes! The Air Jordan III is back, again. This is a GREAT shoe for any shoe collection, especially any one who has a Jordan collection or is starting one. This shoe has a full grain leather upper, with an elephant skin design on the toe and heel. It has solid rubber outsole and polyurethane mid-sole with visible air in the heel. Mars Blackmon was right, it is definitely the shoes!! Get them now before there gone, because who knows if Nike will ever retro them again

We have built our credibility and reputation on delivering authentic quality merchandise at lightning fast speed. We will never compromise the trust our customers place in us. Recently we have done tests to compare our products with other websites products. Basically it does not look good at all for them. They buy their shoes for about 20 dollars!!!! Their stuff is flimsy. We allowed our reps to test them out for 1 week and play ball in them. The shoes have NO grip, the sole fell off the shoe, and we didnt even recieve the right shoe that was pictured in their website!! Here at FashionDmp, we guarantee that what you see in the picture is what you will recieve. Also other websites charge 15 dollars for a shoe box to come with the shoe!!! We give it to you for free because we know that the shoe box is everything:).

How long does shipping take?

Shipping usually takes maximum of 1 week 7-14 buisness days with tracking number USPS.. 2-3 days processing and 2-3 day shipping. Other webs take 1-2 months!! They don't care about the customers and their shoe needs like us. Also our shipping is FREE!! Other sites charge an average of 15 dollars.

Yes and No. If you pay through your credit card, we can only ship to the Confirmed Address, which in almost all cases is the Billing Address of your credit card. If you place an order using a Check or Money Order then we can ship your order to any address you want.

Do you ship internationally?

Yes, but there are additional shipping charges. \$0.00 will be added to the total to ship one pair of shoes to Canada. For other countries, \$0.00 will be added to the total to ship one pair of shoes. A very nice pair of the Nike Air Jordan

XIV Retros.

A classic Re-make of the Original XIV.

This was the very last Air Jordan model that Michael would sport in NBA before his retirement. On January 13th 1999 Michael announced his retirement from the NBA basketball for the second and final(?) time.

The design was inspired by Michael's car, the Ferrari 550 M, and was made by Tinker Hatfield together with Mark Smith.

This was the first Air Jordan that would feature laces with metal tips. Something that both the XV's and XVI's designs also would use.

14 = XIV The XIV's also begun the trend of having a number of things that would count towards the model# of the shoe. On the XIV's each shoe had seven Jumpman's, Ferrari-like shield, insole, sole, back, 2 x lace tip and front. Counting them on both shoes makes it a total of 14 (XIV) Jumpman's.

High-performance luxury ride, thanks to all the extras: low-profile Zoom Air units in the heel and forefoot, internal lacing system for customized fit, slow-recovery foams in the heel area that conform to the shape of the fit (along with excellent compression for long-term durability), medial air vents for breath ability, and heavy-duty full-grain leather upper. A one-piece shoe lining provides seamless comfort. The Phylonmidsole has strategically-paced wraps that lock the foot over the midsole platform, helping to keep your foot in place. Composite shank for added stability and support and molded EVA-based sock liner with urethane inserts.
