YURMAN’S VALUABLE INTELLECTUAL PROPERTY RIGHTS

60. Yurman is a well-known designer, manufacturer and supplier of unique fine jewelry and luxury watch designs sold under the DAVID YURMAN brand name. Since its inception in 1980, Yurman has set new standards for designing and marketing jewelry, infusing the disciplines of art and fashion into the jewelry design process.

61. Yurman products are marketed to fashion-conscious consumers and are sold only through authorized David Yurman retailers, consisting of specialty retail stores and high-end department stores. Yurman is well-known by consumers and the trade for the quality of its products, the innovation and uniqueness of its designs, and its technological developments in jewelry design.

62. Among Yurman’s most important assets is the intellectual property associated with the DAVID YURMAN brand and the jewelry designs for which Yurman has become famous. Specifically, Yurman is the owner of the unique and distinctive trade dress of its

jewelry designs as well as numerous U.S. copyright registrations covering many of its unique and innovative jewelry designs.

YURMAN'S PAVE COLLECTION ENHANCER COPYRIGHT REGISTRATION

63. Over many years, Yurman has registered numerous copyrights in its unique and innovative jewelry designs with the United States Copyright Office. Currently, Yurman owns more than 75 United States copyright registrations covering its individual jewelry designs and collections of jewelry designs.

64. One of the jewelry designs that Yurman has registered with the United States Copyright Office is the Yurman Pave Products Enhancer D06384 (Copyright Registration No. VA 1-024-276), which is a unique and innovative pendant design. A copy of the registration certificate for the Yurman Pave Products Enhancer D06384 is attached hereto as Exhibit A.

65. Yurman owns all right, title and interest in the Yurman Pave Products Enhancer D06384, which constitutes original and copyrightable subject matter under the Copyright Act.

66. The Yurman Pave Products Enhancer D06384 is an original jewelry design that was first introduced in 1997, and has been sold continuously since that time. In addition, Yurman has sold various products derived from and related to the copyrighted Yurman Pave Products Enhancer D06384 design, including the Medium Pave Albion Enhancer, the Large Pave Albion Earring, the Small Pave Albion Earring and the Pave Diamond Albion Ring.

YURMAN'S PAVE PRODUCTS TRADE DRESS

67. In addition to its copyright registration for the Yurman Pave Products Enhancer D06384, Yurman is also the owner of the unique and distinctive trade dress of the Yurman Pave Products Enhancer D06384, as well as the unique and distinctive trade dress of the Medium Pave Albion Enhancer, the Large Pave Albion Earring, the Small Pave Albion Earring and the Pave Diamond Albion Ring (collectively the "Yurman Pave Products").

68. The unique combination of distinctive design elements that appear in these jewelry articles that comprise the Yurman Pave Products create a particular, highly distinctive trade dress for each article individually and throughout the Yurman Pave Products collectively (the “Pave Products Trade Dress”), such trade dress immediately indicating Yurman as the single source thereof. Further, through advertising, promotion and sales of the Yurman Pave Products, the Pave Products Trade Dress has come to be associated with Yurman as its single source.

69. The Pave Products Trade Dress consists of a collocation of design elements found in each of the jewelry articles comprising the Yurman Pave Products. The combination of such elements gives each article of jewelry in the Yurman Pave Products a distinct overall appearance and commercial impression. The following describes the design elements comprising the Pave Products Trade Dress:

- (a) A center or focal point consisting of a field of pave diamonds in a rectangular shape with rounded corners — an elongated “cushion” design;
- (b) which is encircled by a smooth band of yellow gold providing the appearance of a platform for the pave diamonds;
- (c) which is, in turn, encircled by an outside trim of Yurman’s signature cable design, or twisted wire, in sterling silver.

70. The collocation of features set forth in the foregoing paragraph is found in each of the jewelry articles that comprise the Yurman Pave Products. Thus, the collocation of design features set forth above is evident in the Yurman Pave Products Enhancer D06384, the Medium Pave Albion Enhancer, the Large Pave Albion Earring, the Small Pave Albion Earring and the Pave Diamond Albion Ring. Photographs of each of the foregoing jewelry designs are attached hereto as Exhibit B.

71. Moreover, the collocation of features set forth in paragraph 69 herein constitutes a distinctive trade dress that has acquired secondary meaning. The Yurman Pave Products containing the Pave Products Trade Dress have been promoted by Yurman in the United States and have achieved sales success. As a result, the public has come to recognize the Pave Products Trade Dress as an indication of the source of each such jewelry article. The Pave Products Trade Dress is thus a means by which Yurman is known to the public and the trade as the sole source and origin of such Yurman jewelry.

72. The Pave Products Trade Dress is in no way functional.
