These new MIKE23 fitted caps come as a part of the brands' Spring/Summer 2008 collection. Matching New Era's 59/50 line stitch for stitch, coupled with satin lining and an interesting side panel logo, MIKE23's new line of fitted wool caps are certainly worth a look. Each style comes in three sizes: 7 1/4, 7 1/2, and 7 3/4 with colorways mimicking those of #23's team and footwear.
